

MARTIN'S PATERSHOF

★★★★

Located just a stone's throw from Antwerp and Brussels, Martin's Patershof brilliantly combines modern infrastructure, a sense of excellence, comfort and authenticity. This former church in the heart of Mechelen offers the ideal setting for a seminar or meeting combining elegance, performance and originality. Martin's Patershof has 4 exceptional seminar rooms, including the Keizer Karel room, which is nestled in the majestic setting of the church choir and can accommodate up to 150 people for cocktails.

Martin's Patershof can also help you plan an original event with a host of activities: a tour of the city from the Dyle, culinary workshops, tastings... the choice is yours! City Golf is perfect for exploring Mechelen as a team. Unless you dare to take our Sem'on Quizz?

For large-scale business events, Martin's Patershof joins forces with the Lamot Conference & Heritage Centre. Located in the heart of Mechelen, this complex houses 8 multifunctional spaces for exhibitions and other events for up to 500 people in the warm setting of a former brewery.
